DIGITAL EVIDENCE CAPTURE NOTICE

Tipperary ETB (TETB) tutors and assessors are required to collect and retain digitally recorded evidence for the purposes of the assessment process. TETB have established the lawful purpose for processing this data is under Article 6 1(b) of the General Data Protection Regulation ie this recording is necessary for the completion of your course/exams.

Recorded digital evidence includes any video and audio recordings. Assessment techniques that commonly require the use of video and audio include assessments that involve skills demonstrations and practical examinations.

This digital evidence will be securely retained on TETB's IT systems, and presented to the Internal Verification process, then the External Authentication Process, and, retained until after the Appeals Process has elapsed, or in according with the awarding body for your assessment, after which all evidence will be securely disposed of.
